

Partnership Application

Thank you for applying for an account with Ingram Micro.

In order for us to process your account application we require the information below about all of the partners of the business. If there are more than 2 partners please print additional copies of this form.

In support of your application please provide details of two IT distributors/resellers that we may approach for a trade reference.

Once completed this form should be sent back together with the signed acceptance form that was also sent to you.

We look forward to doing business with you.
